### What is happening in our school.....

Wow, I cannot believe we only have 2 school weeks left until Term 1 break. As the saying goes, time flies when you are having fun. So much to celebrate at Mole Creek Primary as we head into week 10. Last week 19 students from our Grade 3-6 classes participated in the NMPSSA Athletics Carnival. There were a lot of nervous students waiting to catch the early bus, but the smiles and chatter about the day when they returned was a highlight of my day. Everyone who participated on the day showed courage and resilience.

Yesterday's assembly was also a celebration of the work students have been completing in their classrooms over the term. Thank you to Miss Johnson and Grade 5/6 for again hosting our assembly. Please keep a look out in Term 2 newsletters for the dates of our next assemblies which will be hosted by Grade 3/4.

### Colour Fun Run

This Friday we will be hosting our first Colour Run. Students are required to wear normal school uniform to school in the morning and bring a change of clothes for the event (white T shirts show the most colour).

To ensure this is a successful event for our students we would appreciate your support with the following safeguarding requirements:

Parents/carers to stay in the designated viewing position on the basketball court.

All parents enter through the front gate and sign in on clipboards on the table at entrance.

If you would like to support this event by being a squirter/painter, it is essential you have a current WWVP card and have completed the DECYP compulsory safeguard training video. If you have done these, please ensure a copy of your certificate and WWVP card is handed into the school office for inspection on the day. If it is easier, please feel free to email your certificate through to the school office.

**Please note:** the weather forecast for Friday is not looking great (quite cold), so if you are coming to watch and would like to take your child home after their event to get warm, (and clean) please just check in with their classroom teacher prior to leaving so they can be signed out.

If your child will be catching the bus home, please ensure they have a towel and plastic bag as they will be required to change back into their uniform after the event.

### 3-Way Parent/Student/Teacher conversations

A reminder that next week we are hosting our 3-way conversations. If you have not already done so, please call the school office on 63631140 to make a face to face or phone call appointment with your child's teacher. Appointments are available Monday to Wednesday 3:15 – 5pm. Mrs Cornish (Japanese) is available Monday and Mr Winwood (PE) is available Tuesday.

### Safeguarding Requirements

Unfortunately, as of 31<sup>st</sup> March any of our school volunteers (breakfast club, hot lunches etc) will not be able to continue volunteering in our school until they have completed their mandatory reporting training. This is a 12-minute video online that is watched and then once completed participants are presented with a certificate. The certificate is then passed into the office and is valid for 12 months. Please remember that as a school we rely on volunteers and appreciate all the support we can get, and that the safeguarding requirements are to ensure all students are kept safe whilst at school. If we as a school can help you with the requirements, please do not hesitate to reach out.

### Parent Association Meeting

Just a reminder that our Parent Association AGM will be held Thursday 5pm at the Mole Creek Hotel. After the AGM we will continue with our normal meeting that will be discussing some of our school policies. All welcome.

### Meal Worms in 1-2

On Friday Prep and 1-2 students checked in on their Meal worms. The 1-2's have been looking at the lifecycle of meal worms. Here are some photos from their investigations last week with Mrs Kettle.

Kind regards
