## 25 March 2025

### What is happening in our school.....

#### Harmony Week

Last week our school celebrated Harmony week. Harmony week is the celebration that recognises our diversity and brings together Australians from all different backgrounds. Last Monday afternoon our classes got together to hear a story about Harmony week and participate in an activity together. The final product is on display in the open area thanks to Miss Pearton.

#### 3-Way Parent/Teacher/Student Conversations

Week 10 we will be hosting our 15 minute 3-way parent/teacher/student conversations on Monday 7 April to Wednesday 9 April after school 3:15-5pm. This is a great opportunity for families to connect with school, to find out how your child has settled into their new school year. Letters for this process are with today's newsletter, I encourage you to take this opportunity to come into school and support your child's learning, or if you are unable to make it in a phone call from your child's teacher can be just as informative.

#### NMSSSA Athletics Carnival

On Friday we have 19 students traveling with Miss Johnson to the Northern Midlands Athletics Carnival at St Leonards Athletics Track. We hope all of our students enjoy the experience and give their best as they represent our school. A huge thankyou to Miss Johnson and Mr Winwood in their organisation for our students.

#### Mobile Phones

As you may or may not be aware DECYP has a strict Mobile Phone Policy (Off and away all day). This policy is then adapted by schools to support their environment. Last week we noticed a few mobile phones appearing and have spoken to students about the policy. At Mole Creek Primary students are to hand their phones into the office in the mornings and can pick them up as they leave in the afternoons. This process ensures all phones are safe and we do not have any issues with unwanted photography or social media use. As always if you need to contact your child throughout the school day, the school office is your first port of call.

## ANZAC Day

ANZAC Day will fall in the term holidays again this year and once again our school will be participating in the Mole Creek Progress Association's service here in town. Over the past 5 years this has been an extremely well attended community event with a significant contribution from our students. If your child wishes to participate in the march, then please meet at the Memorial Hall on Friday 25<sup>th</sup> at 10:50am in full school uniform.

Kind regards
